CAREER OBJECTIVE

To rectify the misconceptions that some people may have about Islam by using the knowledge I have gained through my studies and experience.

I have an interactive personality and ability to understand people from different backgrounds. I am experienced in Imaamat, Khitaabah (preaching) and teaching hifdh. I relate with the youth and simplify their understanding of Islam.

I have a passion and love for Quran and hadith. I also like hearing and sharing modern views about Islam and other religions. I am a fast learner and keen to meet up to any challenge.
